BOOK REVIEWS

Tables of Laplace Transforms

Oberhettinger, F. and Badii, L., Springer-Verlag (1973),

Pp vii + 428, DM 39, US \$17.60

This book contains a comprehensive collection of integrals of Laplace and Inverse Laplace Transformations. Many higher functions as integrands have been specially adapted and collected here. The selections reflect extensive experience and scholarship of the authors.

The tables consist of two parts : Part I contains Laplace Transformations while Inverse Laplace Transformations are given in Part II. The functions and notations in the text have been clarified in the appendix. These tables would be of great value to applied mathematicians, physicists and engineers.

Russian For The Mathematician

S. H. Gould. Springer-Verlag, 1972, Pp xi + 211, DM 27.60/US \$ 8.80.

The American Mathematical Society has done a good work by making an arrangement to publish this book. It is not only helpful to the mathematicians, but also useful to the beginners of the course.

The book is mainly made up of five chapters and three reading sections that try to cover the vast field of Russian language within 211 pages. First chapter deals with the fundamental of the cyrillic alphabets and how to memorize the alphabets is thoroughly discussed. The second chapter covers the pronunciation of the words and phases. The third chapter is mainly concentrated on inflection. The fourth one gives an account of aspect which provides the natural framework for a systematic study of Russian vocabulary. The fifth chapter is most important for the mathematical vocabulary which is methodically discussed.

The reading sections are made of as such : An extraction from elementary analytic geometry and calculus is set up in section A. Section B contains the extractions from elementary algebra and analysis. More advanced topics such as (i) theory of functions of real variables, (ii) theory of functions of several complex variables, (iii) submability theory of divergent series, etc., etc., are discussed in section C. The book also contains glossary, name and subject index.

On the whole, the book is highly suitable as reference guide for mathematicians though the non-mathematical words are not included in glossary.

**STATEMENT ABOUT OWNERSHIP AND OTHER PARTICULARS ABOUT NEWS-
PAPER INDIAN JOURNAL OF PHYSICS AND PROCEEDINGS OF THE INDIAN
ASSOCIATION FOR THE CULTIVATION OF SCIENCE, Vol. 46, 1972.**

FORM IV

(See Rule 8)

1. Place of Publication	Indian Association for the Cultivation of
Science, 2 & 3 Raja Subodh Mallick Road,
Jadavpur, Calcutta-32
2. Periodicity of its publication	Monthly
3. Printer's Name	Sri Prokash Chandra Chakrobertty
Nationality	Indian
Address	Eka Press, 204/1, B. T. Road, Calcutta-35
4. Publisher's Name	Sri Samarendranath Sen
Nationality	Indian
Address	Registrar, Indian Association for the Culti-
vation of Science, 2 & 3, Raja Subodh
Mallick Road, Jadavpur, Calcutta-32.
5. Editor's Name	As below
Nationality	
Address	

1. Prof. F. C. Auluck
Indian,
Head of the Dept. of
Physics,
Delhi University
Delhi-7.
2. Prof. K. Banerjee
Indian,
P.O. Noapara
Via Barasat
24-Parganas, W. Bengal.
3. Dr. D. Basu
Indian,
Director,
Indian Association for
the Cultivation of
Science
Jadavpur,
Calcutta-32.

4. Prof. D. M. Bose
Indian
Bose Institute
93/1, Acharya Prafulla
Chandra Road,
Calcutta-9.
5. Prof. S. N. Bose
Indian,
National Professor
22 Iewar Mill Lane
Calcutta-6.
6. Prof. S. D. Chatterjee
Indian,
91 Ballygunge Place,
Calcutta-19.

7. Prof. S. R. Khastgir
Indian,
Department of Physics
Viswa Bharati,
Santiniketan,
West Bengal.
(upto April, 1973
Died in May, 1973)
8. Prof. D. S. Kothari
Indian,
Department of Physics,
Delhi University,
Delhi-7.
9. Prof. D. N. Kundu
Indian,
Director, Saha Institute
of Nuclear Physics,
92, Acharya Prafulla
Chandra Road,
Calcutta-9.

<p>10. Dr. B. D. Nag Choudhuri
Indian,
Scientific Advisor to the
Minister of Defence,
Central Secretariat,
South Block,
New Delhi.</p>	<p>13. Prof. S. C. Sirkar
Indian,
122/1B, South Sinthi
Road,
Calcutta-30.</p>	<p>16. Prof. A. Bose
(<i>Hony. Secretary</i>
upto 7.8.73)
Indian,
Department of
Magnetism,
Indian Association for
the Cultivation of
Science,
Jadavpur,
Calcutta-32.</p>
<p>11. Dr. R. Ramanna
Indian,
Director, Physical Wing
Bhabha Atomic Research
Centre,
Bombay-85.</p>	<p>14. Dr. B. N. Srivastava
Indian,
358 New Munfordganj
Allahabad, U.P.</p>	<p>17. Prof. A. K. Barua
(<i>Hony. Secretary</i>
since 8.8.73)
Dept. of General Physics
& X-Rays.
Indian Association for
the Cultivation of
Science,
Jadavpur, Calcutta-32.</p>
<p>12. Prof. K. R. Rao
Indian,
Head of the Department
of Physics,
Andhra University,
Waltair.
(upto August 1973.
Since died)</p>	<p>15. Prof. A. R. Verma
Indian,
National Physical
Laboratory,
Hillside Road,
New Delhi-12.</p>	
6. Name and address of individuals who own the newspaper and partners or shareholders holding more than one per cent of the total capital
- Indian Association for the Cultivation of Science.
2 & 3, Raja Subodh Mallick Road,
Jadavpur, Calcutta-32.

I, Sri Samarendranath Sen, hereby declare that the particulars given above are true to the best of my knowledge and belief.
